

# Verte Grades Of Green Gala Draws Big Stars

Posted Friday April 12, 2013 10:30 AM GMT

Leading the way in environmental education, Verte Grades of Green held a star-studded fundraiser last night (April 11) and Mindy Kaling, Jake Johnson, and Hannah Simone all turned out to lend their support.

The "Mindy Project" starlet looked lovely in an all-black ensemble as she mingled with the "New Girl" costars at Bel Air Bay Club in Pacific Palisades, California.

Meanwhile, Ms. Kaling recently explained how she finds "gymsperation" to stay on track with her fitness goals.

"My go-to is someone murdered my gorgeous, perfect, sweetheart husband, who looks like Michael Fassbender, and I then have to get in shape to murder him/her with my bear hands. Sometimes the murderer is hot too, and I have to sleep with them before I kill them. Like Tom Hardy or something. Use it!"
