

GRADES OF GREEN 2013-14 PROGRAMS CREATE CHANGE!

44,000
BAGS
OF TRASH

were diverted annually by
the 2013-2014 Trash Free
Lunch Challenge schools

620

students
participated in the
3R Homemade
Cleaning Supplies
lessons & made their
own take-home
non-toxic cleaners

23

students spoke
to their City Councils,
presenting reasons
to create
environmental
change

18,200

kids were educated through
our grants programs

1,800+

shoes collected
to give to others
via Souls for Souls
shoe drives

86 TONS

of textiles, clothes, e-waste and
trash was diverted from the landfill!
(That's the weight of 40 cars!)

75

students at
Mira Costa High
School participated
in an eco-flash
mob to highlight
Mira Costa's 62%
diversion rate!

96

Inglewood
classrooms
implemented
in-class recycling

40

kids
scavenged for
eco-clues at the
Manhattan Beach
Farmer's Market

Grades of Green
students created
28 school-wide
Earth Clubs
