SCHOOL SITE COUNCIL PARENT SURVEY

One of the duties of Mira Costa's School Site Council is to conduct an annual parent survey. The information gathered from the survey is used in planning and goal setting for the next school year. Please take a moment to fill out this year's parent survey. Responses are collected by School Site Council and are shared with teachers and staff. Your response is anonymous. Please click [here](#) to take the survey. The response deadline is May 11.

GRADES OF GREEN

Costa is going **green**! Did you know that 63% of the waste generated at Mira Costa each day could be recycled? With help from local environmental non-profit Grades of Green and their sponsors Waste Management and Beach Cities Health District, Costa will kick-off campus wide recycling THIS FRIDAY April 25th at lunchtime. All classrooms and outdoor areas will have paired trash/recycle containers so students will always have the opportunity to think before they toss and recycle properly! Not sure what is recyclable? [Click here!](#)
