

HOW TO EARN POINTS TOWARD AN ECO-GRANT

Grades of Green wants to help fund our student leaders to build a sustainable future! Only teams who complete the Campaign, and submit all required forms are eligible to earn one of our Eco-Grants of up to \$1000.

To earn the maximum points for a submission:

- All components of the submission are filled out clearly and completely according to directions.
- Answers are exceptional, creative and well thought-out.

To earn partial points for a submission:

- Most components of the submission are complete, and some directions are followed.
- Answers are sufficient but generic.

**Be sure to look out for BONUS POINT opportunities along the way!

All required *Forms and Submissions* are detailed with the points for each below.

There are multiple required tasks associated with each form. Please click [here](#) and review items with a .
