

## **Tips For Recruiting Your Climate Solutions Campaign Team**

Looking for team members to join your campaign? There are many different ways to find like minded people to join your group. Here are a few ideas:

1. Use the Grades of Green LAUNCH [How To Form A Green Team Toolkit](#)
2. Recruit Family Members!  
Ask your brothers and sisters to join you! Call your cousins! Your team can include people from different schools and even different states.
3. Recruit Members From Groups You Belong To!  
Ask friends to join from groups that you are already a part of - like sports teams, clubs, scouts, after school programs or faith based organizations.
4. Recruit Through School!  
Ask your science teacher - or any teacher- to post the sample recruitment letter (below) in your online classroom. Or ask your school secretary to include the message on your school's website.

### **ARE YOU READY TO TAKE ACTION ON CLIMATE CHANGE??**

Be part of the Climate Solutions Campaign Team. Join other student teams from around the globe all taking action to combat climate change in this 8 month program. Throughout the school year you will have the opportunity to become an expert on an environmental climate issue, develop a green project and create impactful change. You can also meet school service hours, gain experience for college applications and level up your leadership skills. You'll also have the chance to win a \$1000 eco-grant to fund your climate solution.
