

Rebuilding Fire Affected Communities from the Ground Up

As a community based nonprofit rooted in Los Angeles, the Grades of Green team is dedicated to serving those around us and assisting in rebuilding the city we all love. With heavy hearts, we see the impact the recent wildfires have had on families, businesses, schools, and communities. Committed to helping Los Angeles rebuild, our team at Grades of Green is working with our partners to extend our support in helping affected communities reestablish green spaces that are so vital to the health and well being of our community members.

Ways Grades of Green Can Help

Revitalize Gardens

Rebuild Environmental Education Programs

Build Vertical or Hydroponic Gardens

Add/Rebuild Green Spaces

Install Drought Resistant Landscaping

Plant Trees

If you are a school, CBO, or student-serving program, please complete the following form to express interest in wildfire relief:
